What is a "Before I Die" list, and why should you create one?

A "Before I Die" list isn't just a bucket list; it's a personalized roadmap for a life lived intentionally. It's a tool for self-reflection, goal setting, and ultimately, living a more meaningful existence. Unlike a generic bucket list, a "Before I Die" list should be deeply personal, reflecting your values, aspirations, and passions. Its purpose extends beyond simply ticking off items; it's about engaging in experiences that contribute to your growth, happiness, and sense of purpose.
