Conclusion: Reflecting on the lasting impact of the 2017 tour and its place within the broader history of the Grateful Dead and Dead & Company.

Article: 2017 Dead & Company: A Summer of Revivals - A Deep Dive

Introduction: The Legacy Continues

The year 2017 witnessed a monumental event in the history of the Grateful Dead's legacy: Dead & Company's summer tour. This wasn't just another concert series; it was a pilgrimage for thousands of Deadheads, a testament to the enduring power of the music, and a fascinating study of a band carrying on a rich tradition. This article delves into the key aspects of that unforgettable summer, exploring the musical performances, the fan experience, and the behind-the-scenes workings that made it such a remarkable event.

Chapter Breakdown: A Chronological Journey Through the Summer

The structure of the book, and indeed this article, mirrors the tour's chronological progression. Each chapter (or section in this case) will delve into specific legs of the tour, focusing on key shows and the unique elements that defined them. We will analyse setlists, highlighting memorable performances and capturing the overall atmosphere of each event. We will look at geographic locations, drawing parallels between audience reaction in different parts of the country.

Fan Perspectives: The Heart of the Deadhead Community

One of the most captivating elements of the 2017 Dead & Company tour was the diverse and passionate fanbase. The book will feature interviews with numerous Deadheads, capturing their personal experiences and revealing the wide spectrum of reasons why people are drawn to this music. We'll hear stories about journeys undertaken to attend concerts, emotional connections with the music, and the sense of community that unites this vast group. For many, attending a Dead & Company show isn't just about the music; it's a social event, a reunion, and a powerful shared experience.

Example: A young fan's first Dead & Company experience, contrasted with a seasoned Deadhead reflecting on the evolution of the band and the changing fan base.

Behind-the-Scenes: The Making of a Tour

The book will also provide a rare behind-the-scenes glimpse into the intricate workings of a major concert tour. This includes interviews with band members, crew members, and stage managers. This perspective will reveal the logistical challenges, the creative processes involved in staging the shows, and the human dynamics within the band and crew.

Example: Anecdotes about the technical challenges of recreating the Grateful Dead sound, the pressures of maintaining high performance standards, and the personal connections between band members and crew.

Historical Context: The Grateful Dead's Enduring Legacy

The 2017 tour is not merely an isolated event; it's inextricably linked to the rich history of the Grateful Dead. This section will explore the band's legacy, the evolution of their music, and the cultural impact they have had. It will examine how Dead & Company continues the tradition, and how the new band members (notably John Mayer) have adapted and preserved the essence of the original sound.

Example: Comparative analysis of Dead & Company's performances with classic Grateful Dead recordings, illustrating both continuity and innovation.

Conclusion: A Summer to Remember

The 2017 Dead & Company summer tour was more than just a series of concerts; it was a cultural phenomenon, a testament to the enduring power of the Grateful Dead's music and the strength of their community. This book captures the essence of that summer, offering readers an immersive and informative journey through a truly special time in music history. It's a tribute to the music, the fans, and the legacy that continues to inspire generations.

FAQs:

1. What makes this book different from other Dead & Company concert reviews? This book goes beyond simple concert reviews; it includes behind-the-scenes insights, fan stories, and historical context, creating a richer and more complete picture of the tour.
