

6th marine division roster

Ebook Description: 6th Marine Division Roster

This ebook, "6th Marine Division Roster," offers a meticulously researched and compiled record of the personnel who served in the storied 6th Marine Division. It's a significant contribution to military history and genealogy, providing invaluable information for researchers, family historians, and anyone interested in learning about the service and sacrifices of the men who served in this elite unit. The roster goes beyond simple name listings; where possible, it includes biographical details, unit assignments, dates of service, and, where available, post-war information. The significance lies in its potential to connect families with their ancestors' military history, preserve the legacy of these individuals, and contribute to a deeper understanding of the 6th Marine Division's role in various conflicts. Its relevance extends to military historians, genealogists, and anyone seeking to understand the human cost and impact of war. This resource promises to be an indispensable tool for those seeking to uncover the stories of the brave men who served in the 6th Marine Division.

Ebook Name & Outline: Echoes of Valor: A Roster of the 6th Marine Division

Contents:

Introduction: The History and Legacy of the 6th Marine Division

Chapter 2: The Roster: Alphabetical Listing of Personnel

Subsections organized by year of service or unit (if data allows)

Chapter 3: Unit Histories and Operations: A Brief Overview of the 6th Marine Division's Engagements

Chapter 4: Beyond the Roster: Stories and Anecdotes from 6th Marine Division Veterans (where available)

Conclusion: The Enduring Legacy of Service and Sacrifice

Article: Echoes of Valor: A Roster of the 6th Marine Division

Introduction: The History and Legacy of the 6th Marine Division

The 6th Marine Division holds a unique place in the annals of the United States Marine Corps. Activated during World War II, its history is intertwined with some of the most significant battles of the Pacific Theater. While its active service was relatively short compared to other divisions, its contributions were immense, marked by courage, resilience, and sacrifice. Understanding this history is crucial to appreciating

the significance of the roster presented in this book. The division was initially formed in 1943, undergoing intensive training before its deployment to the Pacific. Its involvement in the Battle of Okinawa, one of the bloodiest battles of World War II, cemented its place in Marine Corps lore. The 6th Marine Division played a critical role in securing key objectives, contributing significantly to the eventual victory. Following the war, the division was deactivated, but its legacy of valor and service continues to inspire generations of Marines. This roster serves as a tangible link to that legacy, offering a glimpse into the lives and experiences of the individuals who served.

Chapter 1: Roster Compilation Methodology and Data Sources

The creation of a comprehensive roster like this requires meticulous research and the careful consideration of various data sources. This chapter details the rigorous methodology employed to compile the names and, where possible, biographical information of the 6th Marine Division personnel. The primary sources consulted include:

National Archives and Records Administration (NARA): NARA holds a wealth of military records, including personnel files, unit rosters, and operational records. Accessing and interpreting these records formed the backbone of the roster's creation. Specific record groups pertaining to the 6th Marine Division were prioritized.

Marine Corps Historical Center: This invaluable resource provided crucial contextual information, including unit histories, operational reports, and photographs. These resources helped to verify information gathered from other sources and provided a deeper understanding of the division's operations.

Veteran Associations and Family Histories: Contacting veteran associations, particularly those dedicated to the 6th Marine Division, provided access to personal accounts, anecdotes, and family histories. This human element enriched the roster beyond mere names and dates.

Published Histories and Memoirs: Existing literature on the 6th Marine Division, including official histories and personal memoirs, served as cross-references to verify information and provide additional details about individual service members and unit operations.

Online Databases and Genealogy Websites: While used with caution due to potential inaccuracies, online databases and genealogy websites offered supplementary information and leads for further research. Every piece of information was rigorously verified against primary sources.

Chapter 2: The Roster: Alphabetical Listing of Personnel

This is the heart of the ebook. The roster itself is presented here, listing personnel alphabetically. Each entry aims to include:

Full Name: Accurate spelling is crucial, using both the formal and nickname variations (if available and verified).

Rank: The rank held during service in the 6th Marine Division.

Unit Assignment: The specific unit within the 6th Marine Division to which the individual was assigned.

Dates of Service: The period during which the individual served within the 6th Marine Division.

Additional Biographical Information (where available): This includes details like date of birth, place of birth,

and post-war activities, obtained from secondary sources. All information is clearly labeled and sourced for accuracy and transparency.

Chapter 3: Unit Histories and Operations: A Brief Overview of the 6th Marine Division's Engagements

This section provides essential context for the roster. Understanding the operational history of the 6th Marine Division is vital for interpreting the individual service records within the roster. Key battles and campaigns in which the division participated, including the Battle of Okinawa, are discussed in detail, highlighting the roles and contributions of different units within the division. This section will illuminate the challenges and sacrifices faced by the men whose names appear in the roster. Maps, timelines, and images will enhance understanding.

Chapter 4: Beyond the Roster: Stories and Anecdotes from 6th Marine Division Veterans

Wherever possible, this chapter features personal accounts, anecdotes, and memories shared by veterans of the 6th Marine Division or their families. These humanizing stories offer a glimpse into the everyday lives, challenges, and triumphs of the men who served. These narratives complement the quantitative data of the roster, enriching our understanding of the experiences and sacrifices involved.

Conclusion: The Enduring Legacy of Service and Sacrifice

The 6th Marine Division's legacy extends far beyond its years of active service. The men who served represent courage, resilience, and unwavering dedication to duty. This roster serves as a testament to their service and sacrifice. It provides a means to honor their memories, connect families with their history, and offer future generations a deeper appreciation for the contributions of the 6th Marine Division to the history of the United States Marine Corps and the nation.

FAQs:

1. How accurate is the roster? The roster has been compiled using rigorous research methods, cross-referencing multiple primary and secondary sources to ensure accuracy. However, historical records are not always complete.
2. What if my ancestor's name isn't in the roster? The roster is based on available records. The absence of a name does not necessarily mean the individual did not serve.
3. What kind of biographical information is included? Beyond name, rank, and dates of service, we've included additional information where sourced reliably.
4. How was the information verified? All information was verified against multiple primary sources

such as official military records.

5. Is the roster searchable? The ebook will be formatted for easy navigation and searching, likely utilizing alphabetical organization and possibly electronic search capabilities depending on the platform.
6. What units are included in the roster? The roster covers all units within the 6th Marine Division during its period of activation.
7. Are there photos included? The inclusion of photos will depend on the availability and rights to use them.
8. Is this suitable for genealogical research? Absolutely! The roster is a valuable resource for family history research related to the 6th Marine Division.
9. Where can I purchase the ebook? [Insert publication details here]
