Introduction: Understanding the Need for God Time

The modern woman juggles countless roles: professional, partner, mother, friend, and often, caregiver to aging parents. This constant multitasking leaves little time for self-care, much less spiritual growth. "God Time," a term representing dedicated time for self-reflection, spiritual practice, and self-nurturing, becomes not a luxury but a necessity. This isn't about religion per se, but about connecting with your inner wisdom and cultivating a sense of peace and purpose. Ignoring this need leads to burnout, anxiety, resentment, and a feeling of disconnect from oneself.
