1. Introduction: The Desperate Need for a Fake Boyfriend (and the Magic Involved)

This introductory chapter sets the stage by introducing Elara, our protagonist. We learn about her financial struggles, her burning ambition to attend the prestigious Whispering Pines Academy of Witchcraft, and the strict scholarship requirements. This section establishes the central conflict – the desperate need for a boyfriend to win the "Most Eligible Witch" competition. The introduction also hints at Elara's magical abilities and her resourcefulness, setting the tone for her inventive solution: creating a fake boyfriend using magic. We meet some supporting characters who may either help or hinder her plan. The introduction should end with a cliffhanger, showing Elara beginning her magical creation of Rhys. We see Elara's ingenuity and her struggles with getting every aspect of Rhys just right.
