Emmett Till, a 14-year-old Black boy from Chicago, was brutally murdered in Mississippi in 1955. His crime? Allegedly whistling at a white woman. This act, however minor, ignited a firestorm of racial hatred that resulted in his kidnapping, torture, and murder. His killers, Carolyn Bryant Donham's husband Roy Bryant and his half-brother J.W. Milam, were acquitted by an all-white jury, a blatant miscarriage of justice that shocked the nation and the world. The horrific details of Till's murder, and the subsequent trial, became a galvanizing moment in the Civil Rights Movement. Mamie Till-Mobley, Emmett's mother, made the courageous decision to hold an open-casket funeral, allowing the world to see the brutal consequences of racial hatred.
