1. Chapter 1: The Glitch – Introducing Elias and His First Encounter with a Significant Anomaly

Chapter 1: The Glitch

This chapter focuses on Elias Vance, a veteran agent weary of his work. He encounters a significant anomaly—a glitch in the simulation that is beyond the scope of a simple adjustment. This event serves as the catalyst for the plot. The anomaly, perhaps a forgotten detail or a deliberate alteration, challenges Elias's perception of reality and forces him to question his role within the system.
