

alvarado hotel albuquerque new mexico

Book Concept: Alvarado Hotel: Albuquerque's Haunted Heart

Concept: A blend of historical fiction, investigative journalism, and paranormal investigation, focusing on the Alvarado Hotel in Albuquerque, New Mexico, and its rich history interwoven with its legendary haunted reputation. The book will explore the hotel's architectural beauty, its prominent place in Albuquerque's history, and the numerous unexplained occurrences reported by guests and staff over the decades.

Compelling Storyline: The narrative will follow three distinct but interconnected storylines:

1. **Historical Narrative:** A chronological account of the Alvarado Hotel's construction, its role in Albuquerque's social and economic development, and the key figures who shaped its history (owners, famous guests, etc.). This section will rely on archival research, historical records, and interviews with long-time Albuquerque residents.
1. **Paranormal Investigations:** A modern-day investigation into the paranormal claims surrounding the hotel. This will involve interviews with current and former employees, guests who have experienced strange phenomena, and experts in paranormal investigations. The investigation will utilize scientific methods alongside anecdotal evidence to explore the plausibility of the paranormal activity.
1. **Fictional Intertwining:** A fictional thread will weave through the historical and investigative parts of the book. This could involve a character – a journalist, a historian, or a paranormal investigator – who becomes personally involved in unraveling the hotel's mysteries, experiencing events that blur the line between reality and the supernatural.
