Book Concept: Back to Basics, Abigail Gehring

Logline: A burnt-out millennial rediscovers joy and purpose by embracing a simpler, more intentional life, proving that less truly can be more.

Storyline/Structure:

The book follows Abigail Gehring, a successful but deeply unhappy marketing executive, who experiences a profound burnout. Overwhelmed by the pressures of her career and the relentless demands of modern life, Abigail decides to radically change her life. The book charts her journey as she leaves her high-powered job, declutters her life both physically and mentally, and reconnects with essential values and passions.

The structure will be a blend of memoir and practical guide. Each chapter will focus on a specific area of Abigail's transformation, integrating personal anecdotes with actionable steps readers can take to simplify their own lives. This approach makes the book relatable and empowering, offering both inspiration and tangible tools for change.

Ebook Description:

Are you drowning in to-do lists, feeling overwhelmed by the constant pressure to achieve more, and yearning for a life filled with genuine joy instead of endless striving?

Many of us feel trapped in a cycle of busyness, sacrificing our well-being for fleeting achievements. We chase success, only to find ourselves feeling empty and unfulfilled. We're bombarded with messages telling us we need more – more possessions, more experiences, more achievements – but what if the secret to happiness lies in having less?

Back to Basics: Abigail Gehring's Guide to a Simpler, More Intentional Life offers a refreshing alternative. This transformative guide shares Abigail's inspiring journey from burnout to bliss as she sheds the excess and rediscovers what truly matters.
