Chapter 1: The Camel Club Series: Unraveling Washington D.C.'s Secrets

The Camel Club series introduces a fascinating group of unlikely friends united by their shared passion for uncovering conspiracies. The optimal reading order is chronological:

1. The Camel Club (2006): Introduces the core group and sets the stage for future adventures.

2. Zero Day (2008): Deepens the characters and introduces new players in a high-stakes game.
3. The Collectors (2010): Raises the stakes even higher with a global conspiracy.

Understanding the interconnectedness of these novels is crucial. Characters introduced in The Camel Club reappear throughout the series, and the overarching themes of justice and hidden agendas run consistently through each installment.
