(H2) The Allure of Zalem: Delving Deeper into Alita's Past

This chapter focuses on Alita's growing awareness of Zalem and the secrets it holds about her origins. Zalem, the floating metropolis above Scrapyard, represents both a utopian ideal and a source of immense power and mystery. Alita's connection to this city, hinted at in previous volumes, will likely be further explored. This chapter may involve dreams, visions, or encounters with individuals who possess knowledge about her past. This could introduce new characters or reintroduce old ones, those connected to the mysteries surrounding Zalem and potentially Alita's creation.
